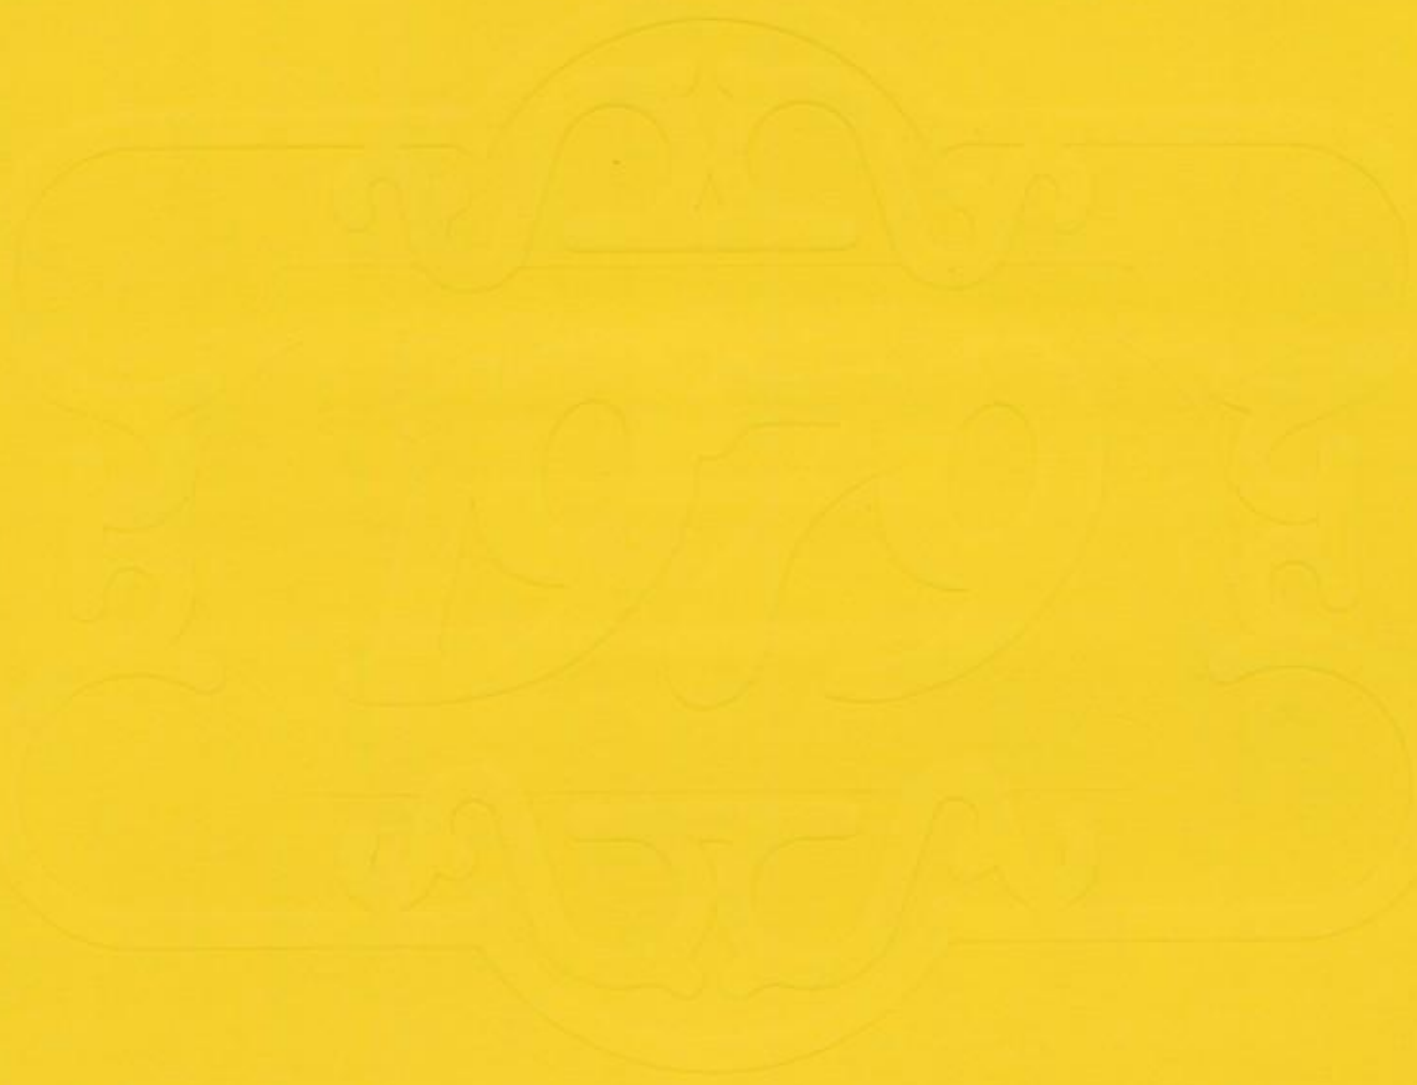
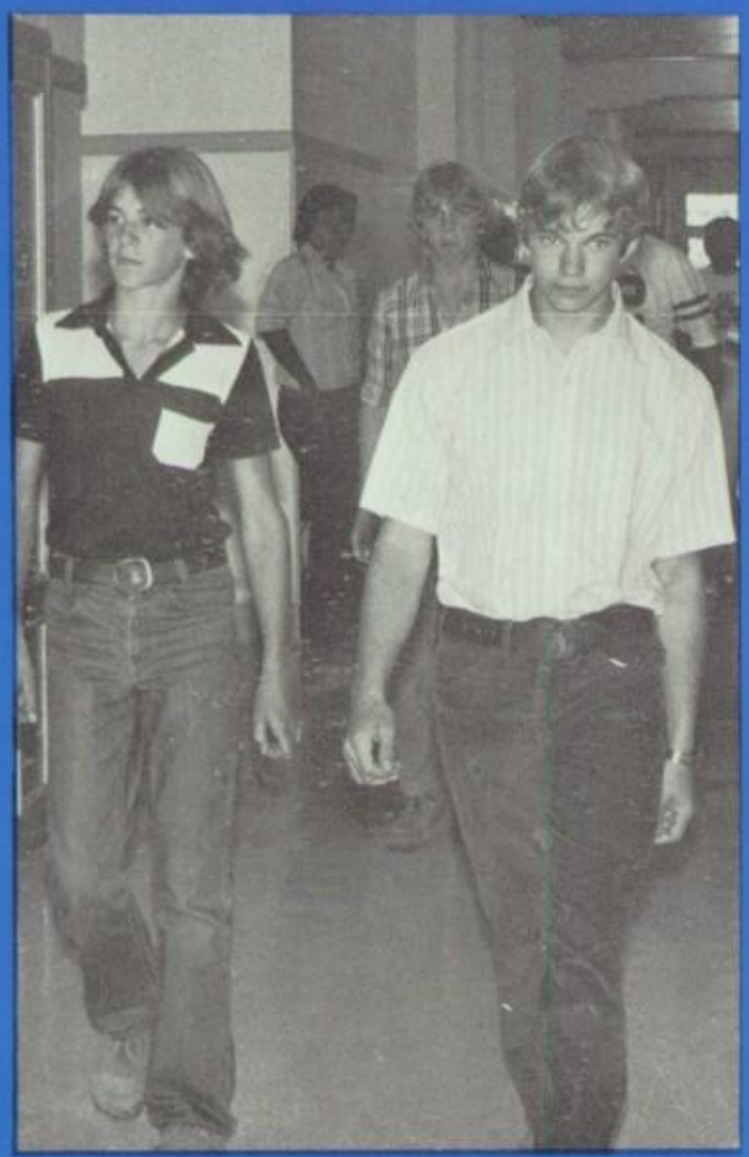
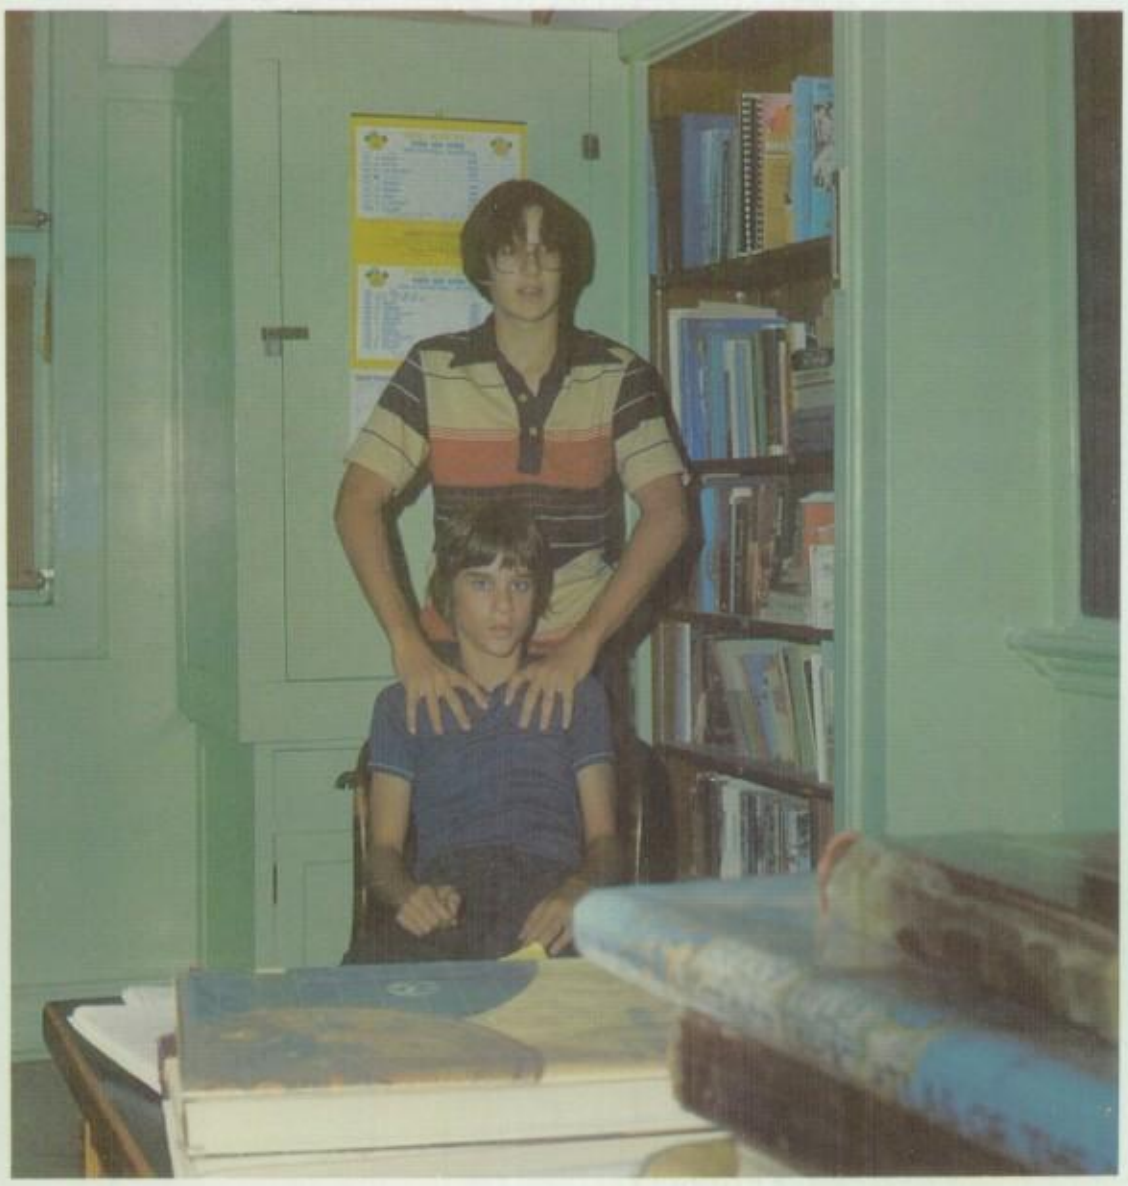
PIERCER

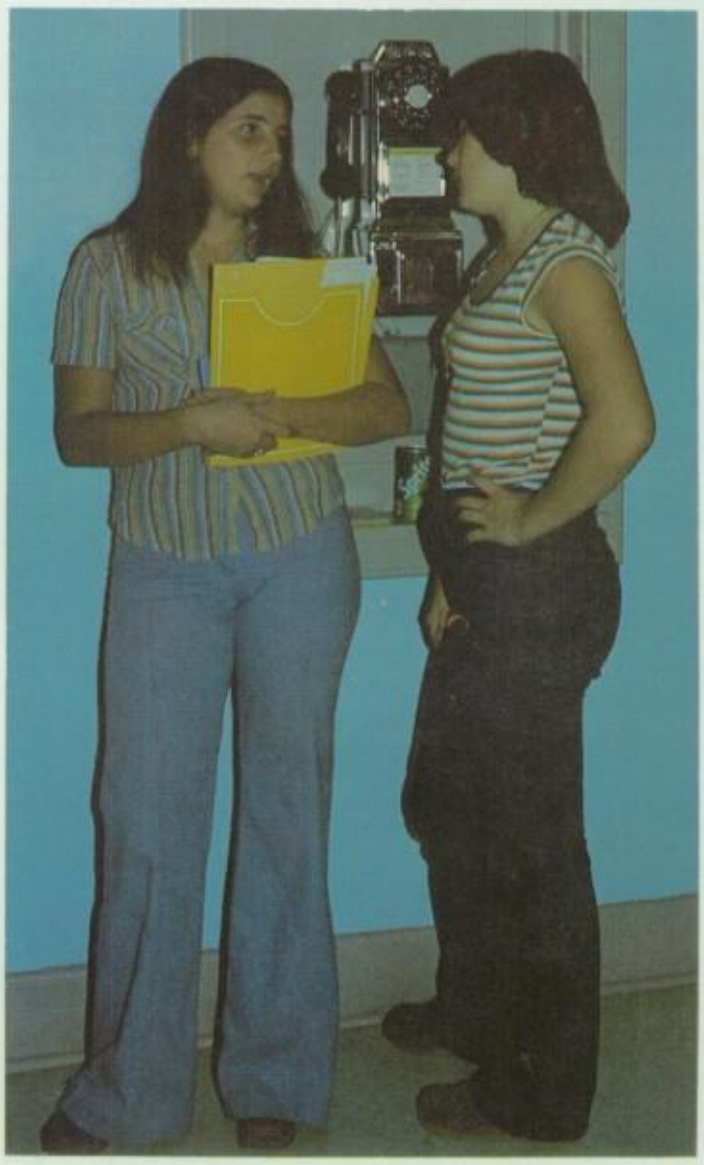


And you need some love and care



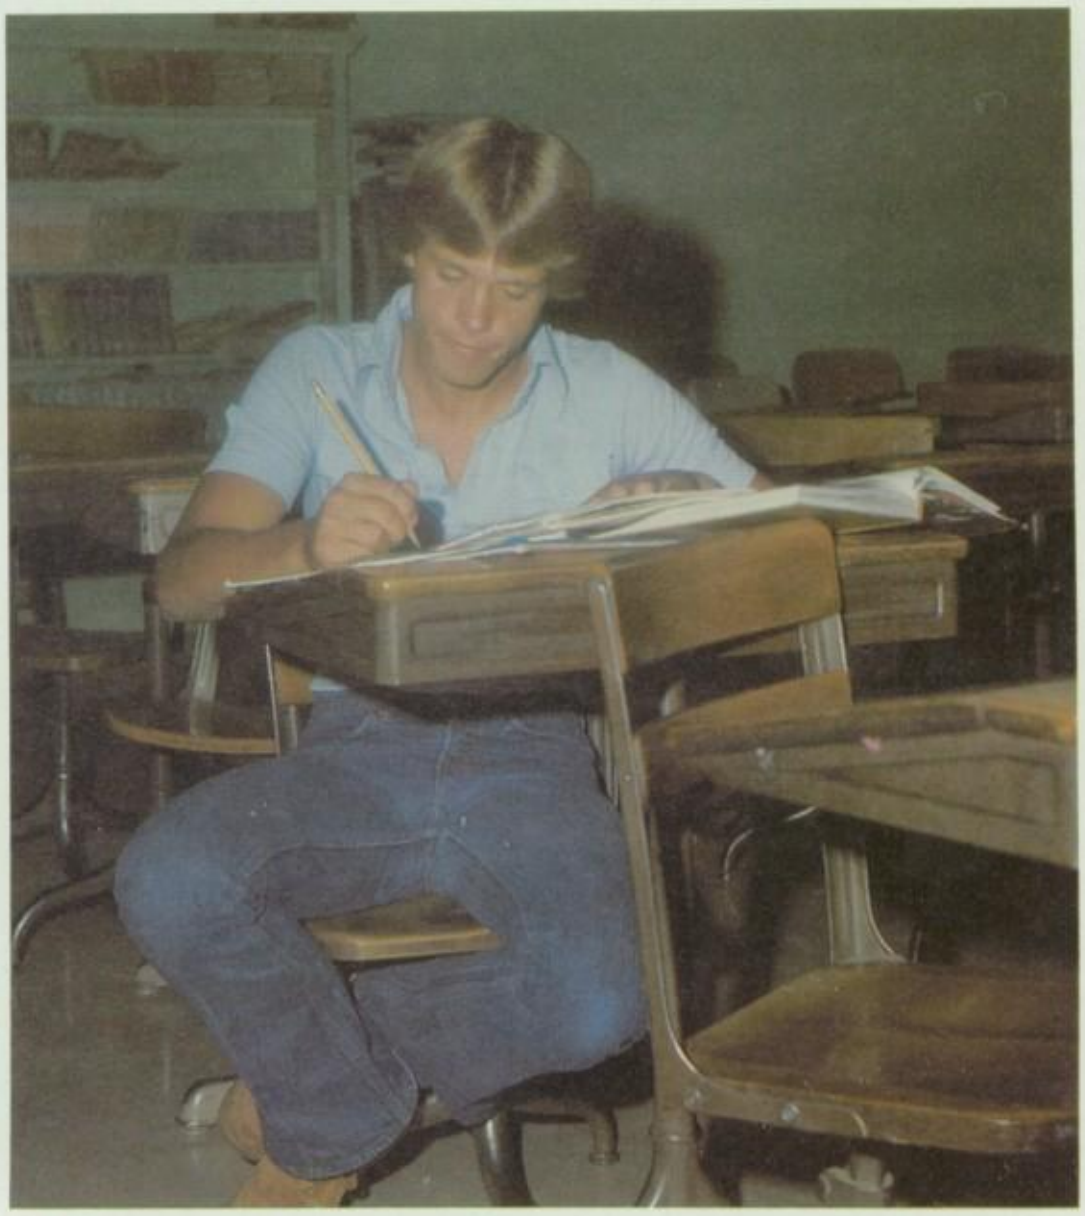
And noth'in, noth'in is goin' right





Close your eyes and think of me,

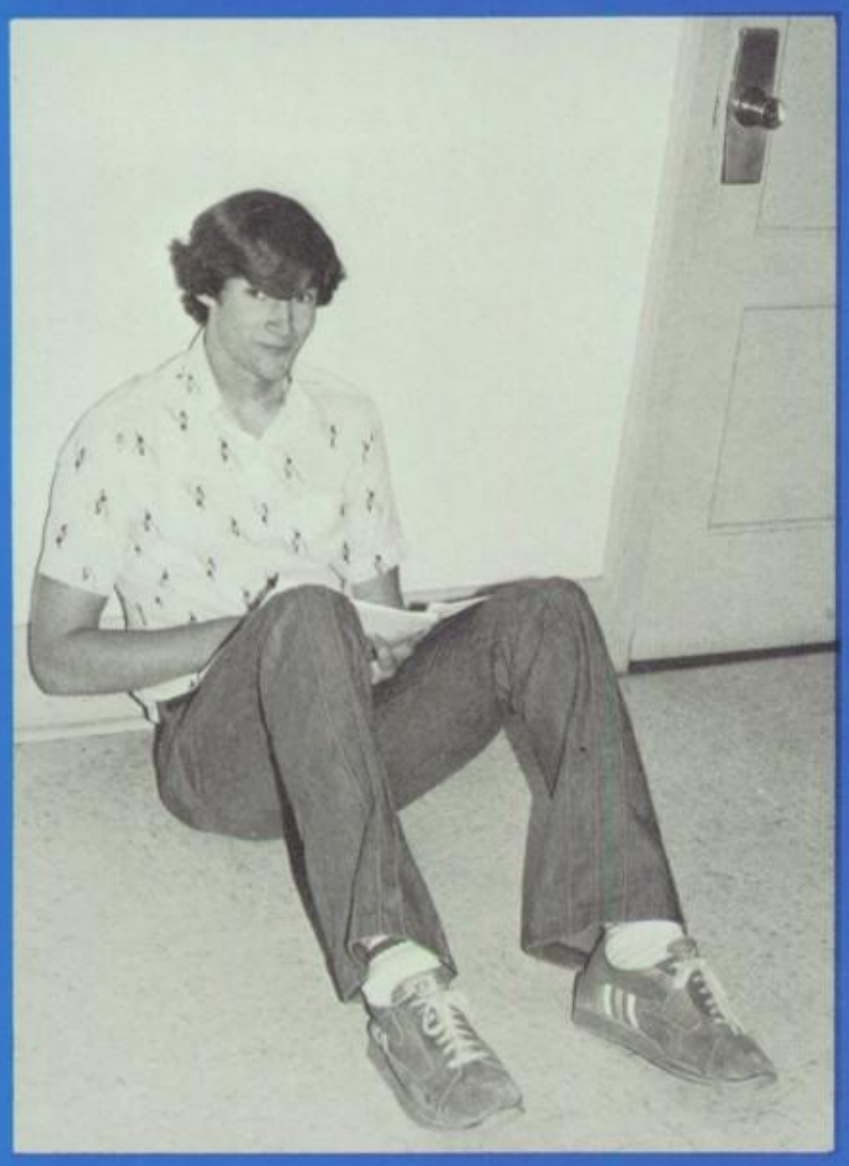
And soon I will be there



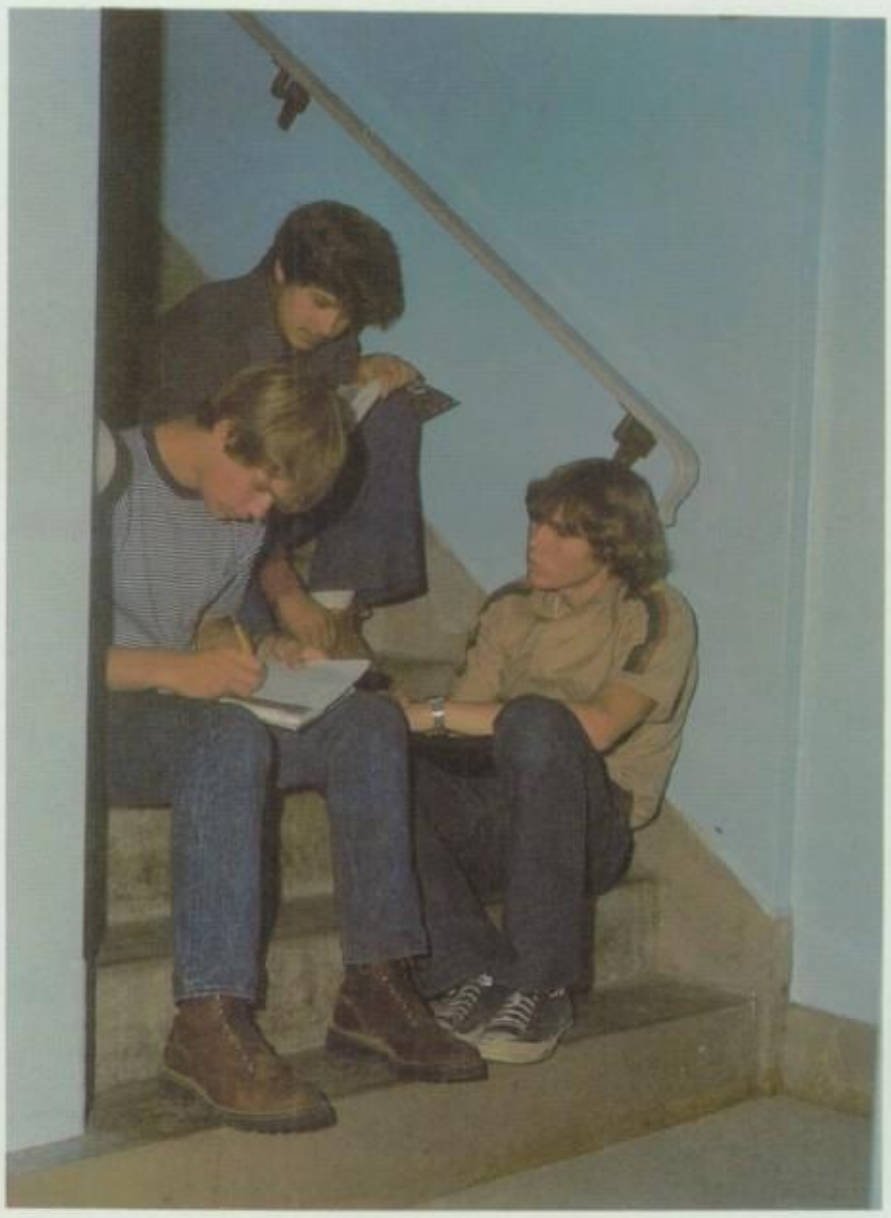
To brighten up even

your darkest night,

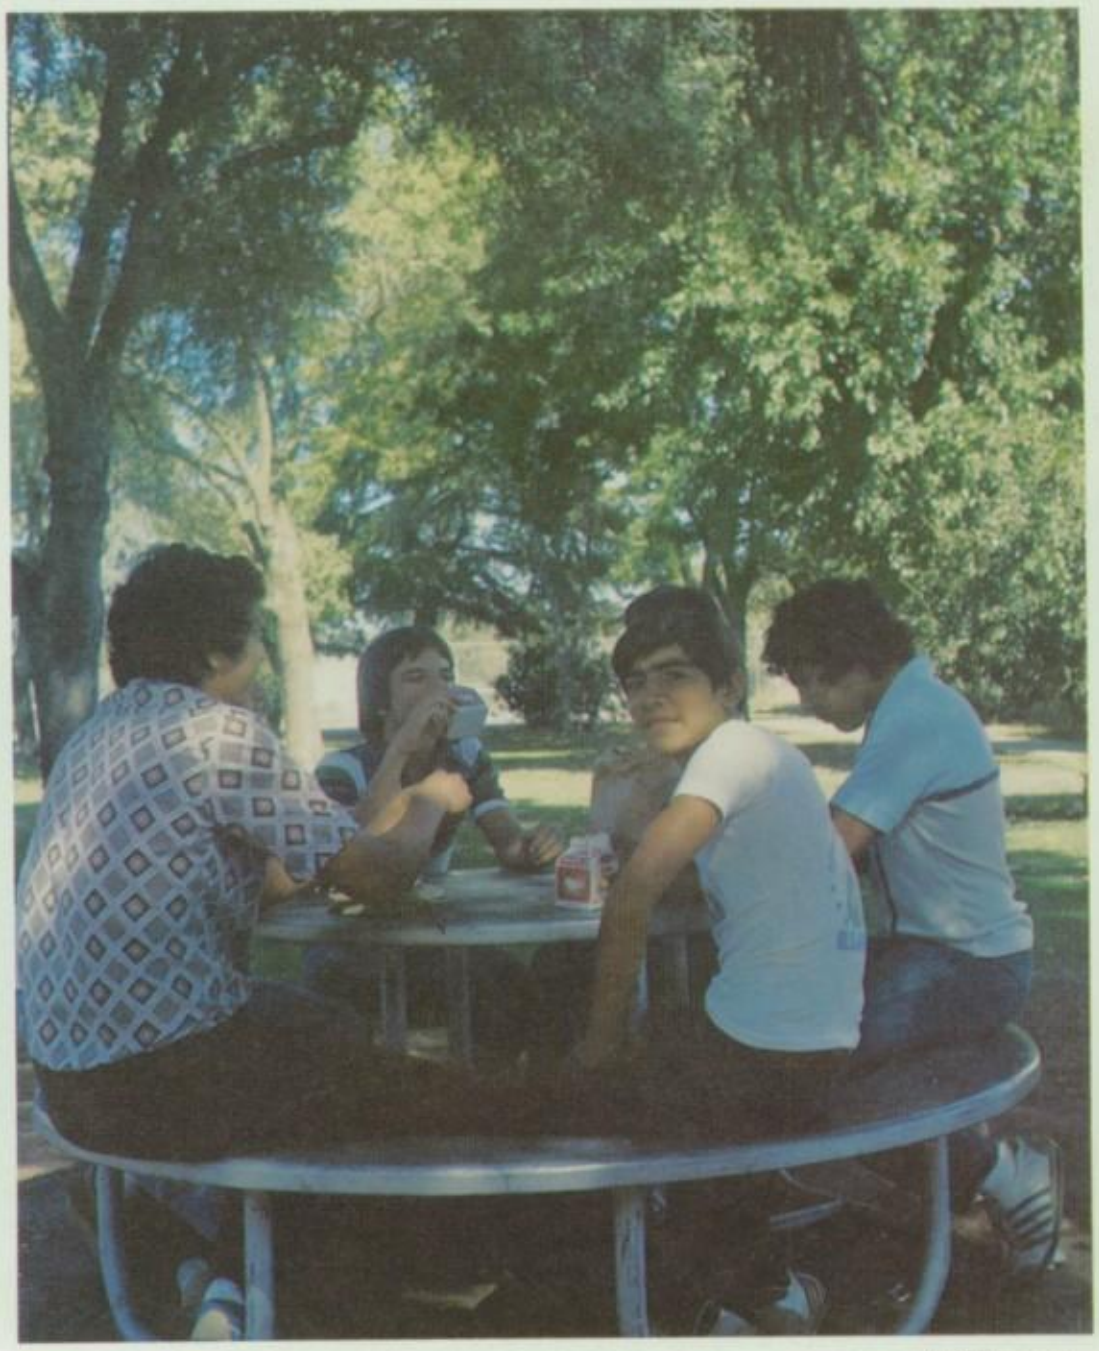
When you're sky above you grows dark
and full of clouds



And that ol' north wind begins to blow



Keep your head together,
and call my name out loud



Soon you'll hear me
knockin' at your door.

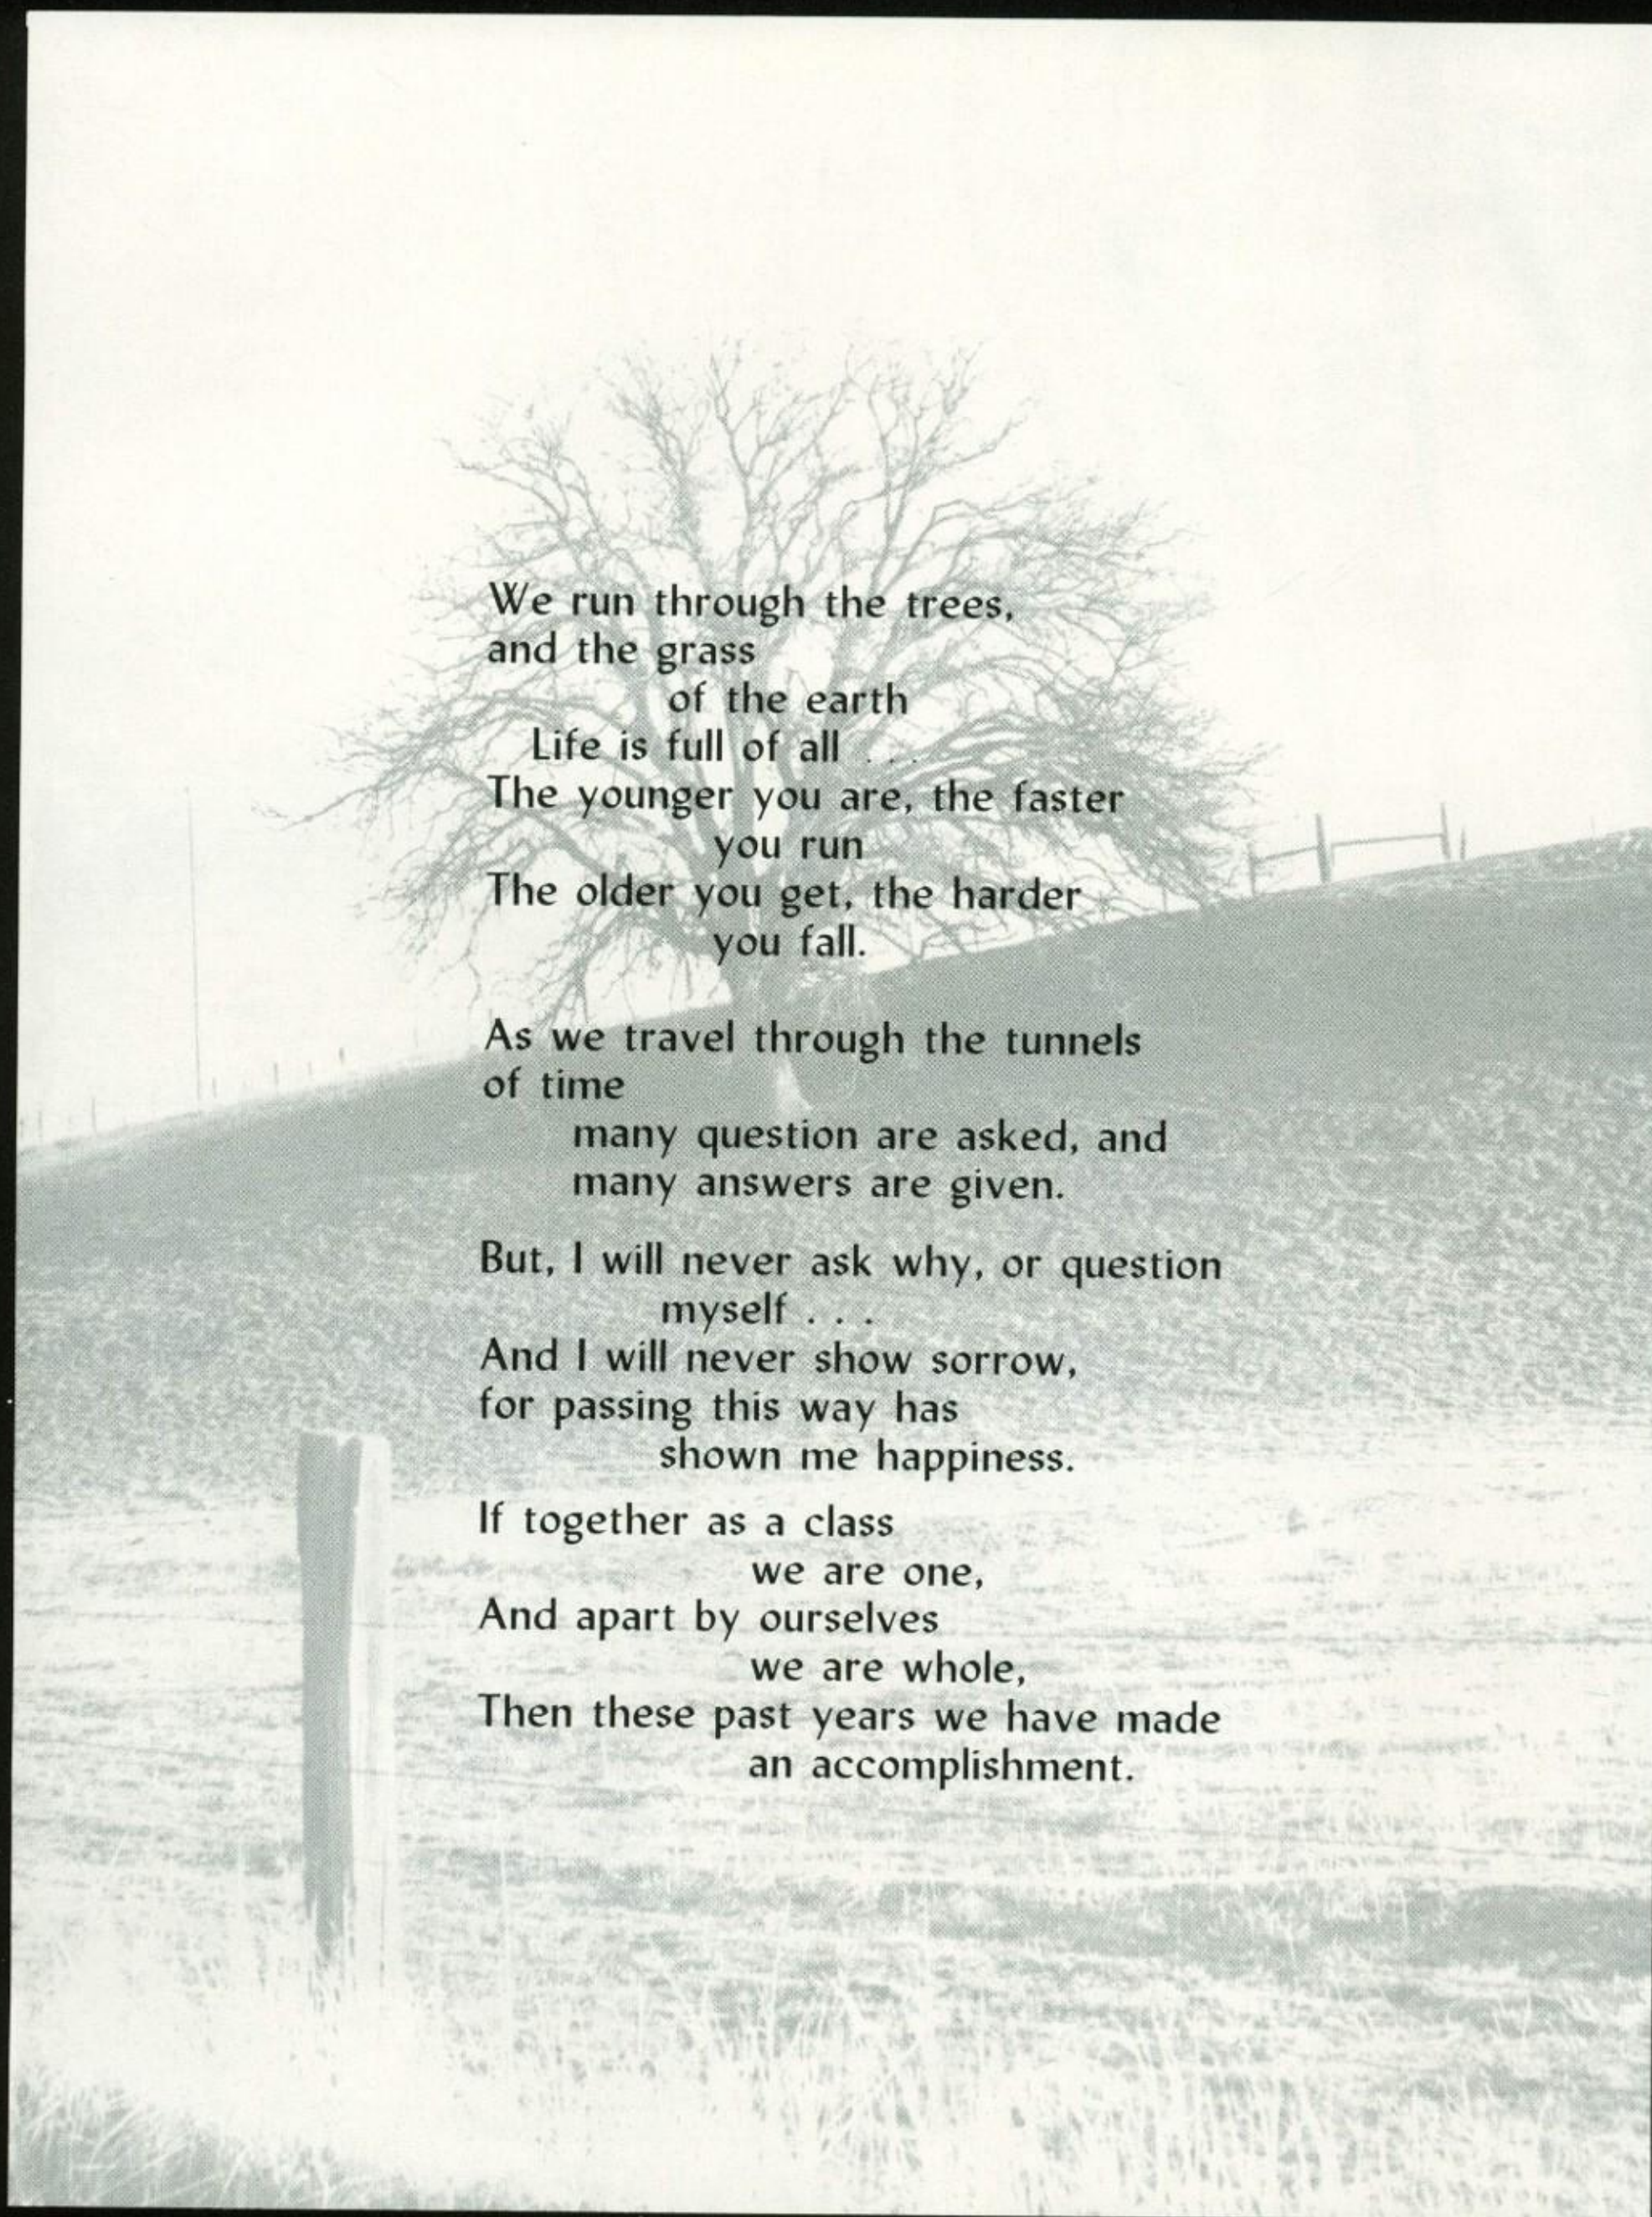
SENIORS



We run through the trees,
and the grass
of the earth
Life is full of all . . .
The younger you are, the faster
you run
The older you get, the harder
you fall.

As we travel through the tunnels
of time
many question are asked, and
many answers are given.

But, I will never ask why, or question
myself . . .
And I will never show sorrow,
for passing this way has
shown me happiness.

If together as a class
we are one,
And apart by ourselves
we are whole,
Then these past years we have made
an accomplishment.

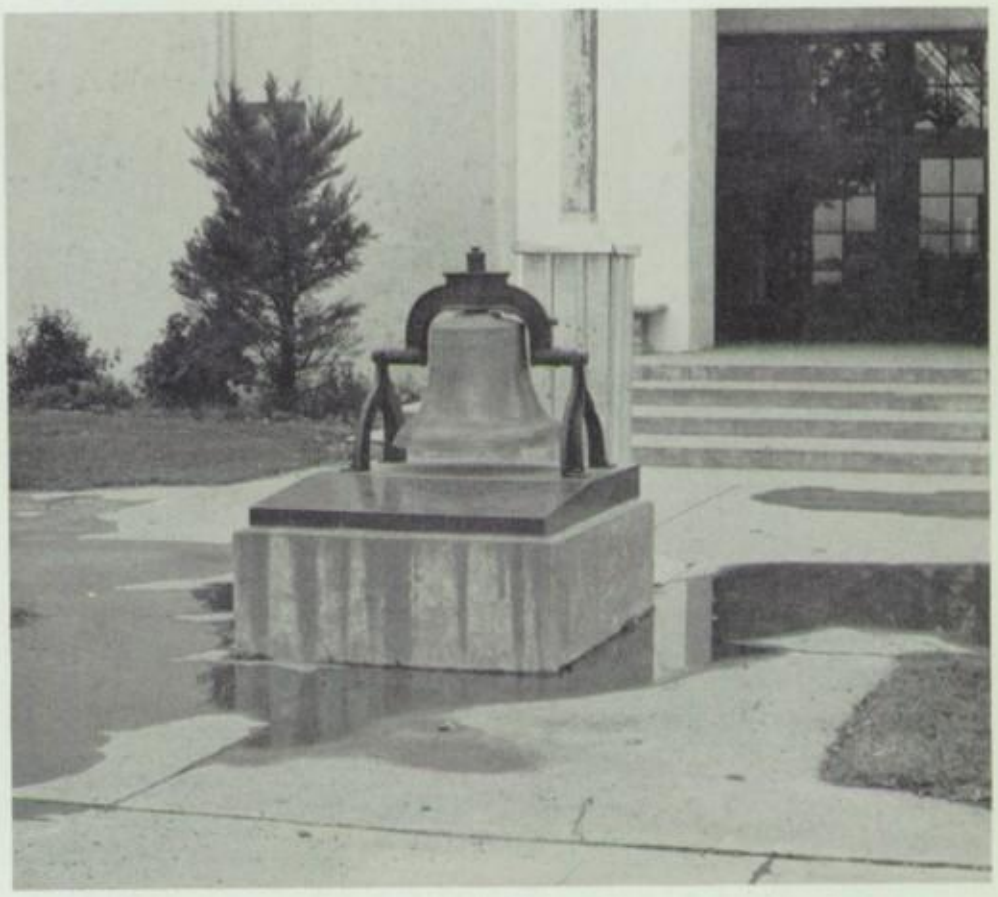
You Just Call Out My Name

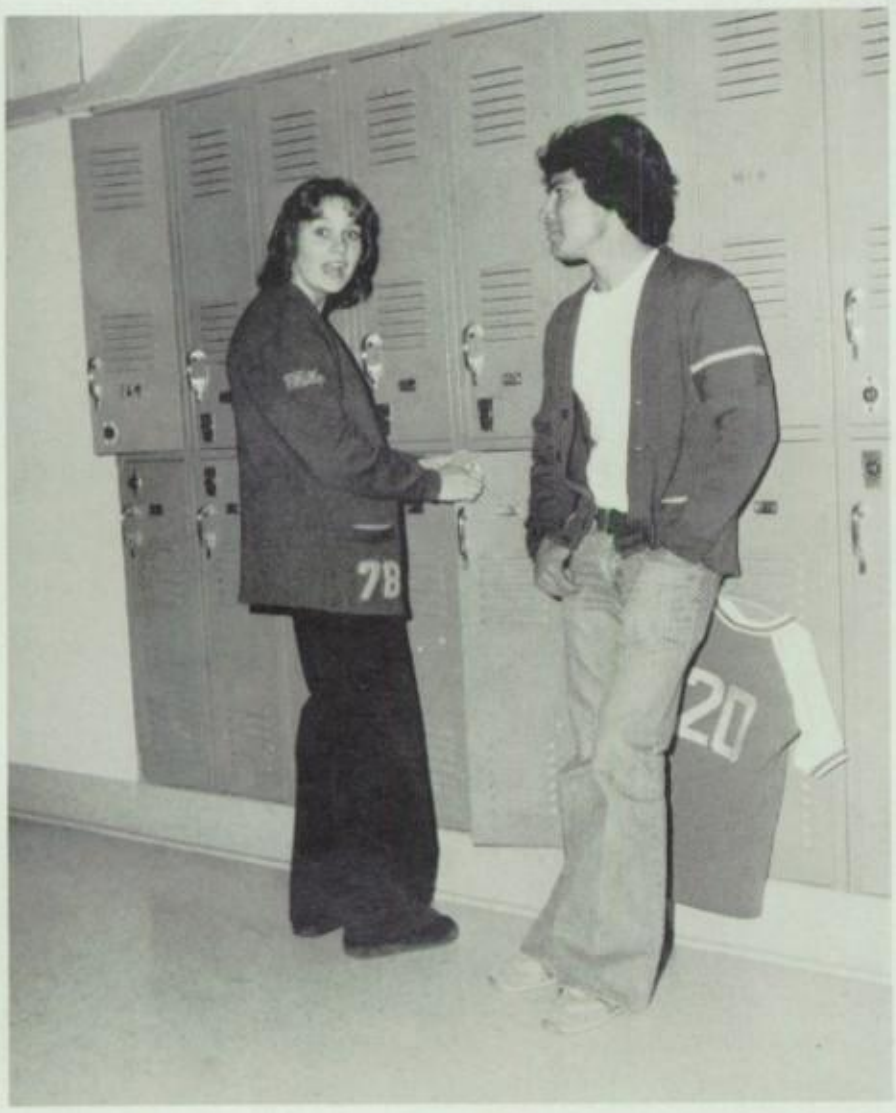
And You Know

Wherever I Am,

I'll Come Runnin', To See You Again

Winter, Spring, Summer
Or Fall . . .

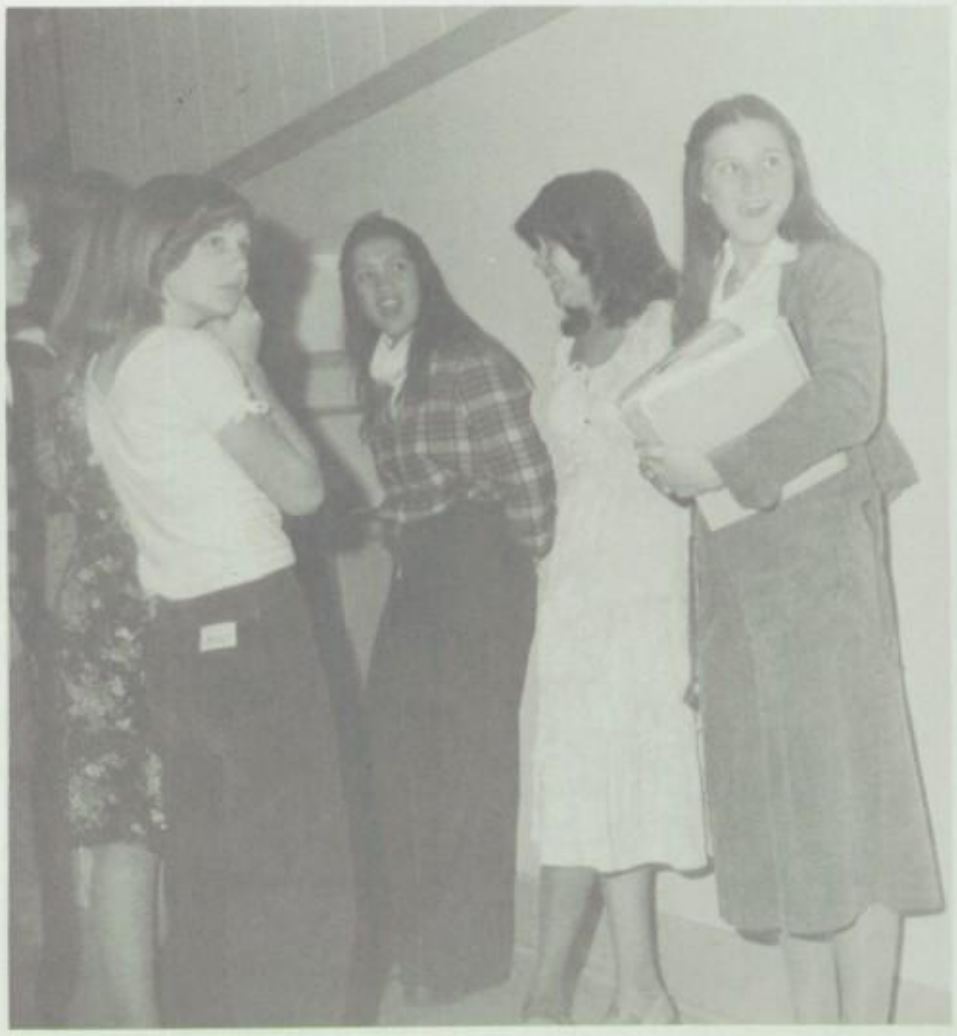




All You Have
To Do Is Call.

And I'll Be There;

Yes I Will,



You've Got A Friend.
